ADA Sarmini, here is my analytical data for Item # [REDACTED] Included is the receipt, lab control card, my powder sheet and hand notations, and preliminary Gas Chromatography data. The GC/MS testing was done by Kate Corbett, and we can not provide that material until Monday. I can be on call and available Monday. I'm not sure if Kate is available that day but if you will need her to testify, please send a summons for her. I'm not available to testify Tuesday. My direct phone line at the lab is 617 983-6629. Take care.
